Eyob Zelalem

Computer Science

I am Enthusiastic creator of assets geared towards accelerating and streamlining software-based business processes. Effective at supporting team needs with high-quality code, subject matter expertise and collaboration skills. Skilled programmer and complex problem-solver experienced in data analytics and report writing. And also I'm knowledgeable Network Administrator qualified to upgrade software and hardware while monitoring network performance. Enthusiastic professional with background implementing cybersecurity products, including firewalls, antivirus software and intrusion prevention systems. Detail-oriented, organized and meticulous employee. Works at fast pace to meet tight deadlines.
